# ★ Senior Production Staff ★

**Michael Worshoufsky (Music Director)** is so excited to be back working on Hills on Stage this year. This is Mr. Worshoufsky's second Hills on Stage production (not including the performance he was in as a 5th grader at Paumanok!) Mr. Worshoufsky is currently the General Music and Chorus teacher at Signal Hill Elementary School at Half Hollow Hills. He is thrilled to be part of this amazing production with an incredible production staff. He is so proud of the hard work these students have put into this show. Break a leg!

**Haley Califano (Choreographer)** is excited to be back in the Half Hollow Hills Theater Department. Miss Califano began her interest in theater in fifth grade when she was in the Hills on Stage Production of *Bye Bye Birdie*. She went on to play various roles in musicals throughout her years at West Hollow Middle School and High School East. During that time Haley was an avid dancer and eventually became a dance instructor. Miss Califano is the musical director and choreographer for the 2022/23 West Hollow Middle School Theater Program. As a recent graduate of Westminster Choir College with a degree in Music Education, Haley loves working creatively with children. She is currently teaching general music and chorus at the elementary level. Haley would like to congratulate everyone who was a part of bringing Aladdin Jr. to life.

**Vikki Reres (Set Construction & Design)** has had the privilege of “playing” with the plays in Half Hollow Hills School District for well over 20 years and considers it one of her fondest blessings. This is her 15th Hills On Stage production and she is thrilled to work with this year's energetic cast and incredibly talented production team. Vikki would like to thank Dr. Darlene Lilla and Ms. Joanne LaDuca at Central Office, for all the dedication and hard work they put into our 5th grade production. As always a huge “shout out” to the High School East Stage Crew - “You are amazing!” And a heart-felt thank you to the rest of her family for sharing their time and amazing talents.

# Thank you to all our Volunteers!

---

A Special Thanks to our Hills On Stage Parents and Parent Committees for their ongoing support in this creative venture of our 5th grade district wide musical production team! Disney's Aladdin Jr. wouldn't be the same without you!

# A note from the Directors

*Disney's Aladdin* celebrated its 30<sup>th</sup> anniversary this past November; its theatrical release being on November 11<sup>th</sup>, 1992. This beloved property has spawned two sequels, a TV series, several theme park attractions and shows, a Broadway musical, and, most recently, a live-action film adaptation. Each of these pieces of media have put their own spin on the original material, and tonight you will get to see the talented 5<sup>th</sup> graders of Half Hollow Hills do the same.

Developed by renowned educators, Broadway Junior musicals are custom-tailored to the needs of young people who are just beginning their theatrical journey. They are designed to foster a love of storytelling through acting, singing and dancing – much like this incredible “Hills on Stage” program. With its large cast, catchy musical numbers and familiar story, *Disney's Aladdin JR* was the perfect choice to do just that.

We are so incredibly proud of these talented students, many of whom have never been in a musical before, for learning (and memorizing!) an exceptionally large amount of material. The dedication of each and every one of them is what has made this production a success. We cannot wait to see them continue to grow in the Candlewood & West Hollow theater programs. We hope that this cast has found “a whole new world” in the theater and will continue to keep theater in their lives, whether as a cast member, a crew member or an audience member.

Congratulations to the entire cast and crew on this phenomenal production! Enjoy the show!

– **Mr. Surico, Mr. Worshoufsky & Miss Califano**
