Lecture Classes

Lecture classes will be **in person**. Classes will meet once a week. A makeup class must be completed if a class is missed. Book work will be assigned and must be handed in by assigned date to count. Late assignments will lose points for each day late. After a week late, work will result in a zero for that assignment. Students must maintain an average of 65 or better to pass the course. All work must be completed regardless of grade. Attendance is mandatory. Arriving late or leaving early is not permitted and will affect your attendance grade.

Driving Classes

Students will drive for 90 minutes once a week with our licensed instructors. All classes are mandatory. Students will arrive at the cars on time since they do leave the school property. All personal items will be placed in the trunk of the car before sitting in the cars, including cell phones. Each student will drive for 22 minutes and observe the rest of the time. At the conclusion of the program, each student will have met the required 6 hours driving and 18 hours of observation for the State. Students must maintain an average of 65 or better for driving/observation hours in the car.

All applications must be submitted to the District Office, room 104, Attn: Lisa Filippi, by January 18, 2023, to be considered for the program. If you are mailing the application in, please remember to leave extra time for the school to receive it before the deadline.
