2021-2022

ANNUAL REPORT

**Committed to
providing all
students with
opportunities to
excel in
academics,
athletics, and the
arts.**

An education-oriented community with high academic expectations, the Half Hollow Hills Central School District is located in a residential area of 50,000 people in the central part of Long Island, approximately 40 miles from New York City. Providing for the education of approximately 7,500 students, the school district has five elementary schools, two middle schools and two high schools. Half Hollow Hills high schools are fully accredited by the New York State Department of Education.

OVERVIEW

SUPERINTENDENT'S MESSAGE

On behalf of the entire Half Hollow Hills Central School District of Huntington and Babylon, I am pleased to share with you the highlights of our 2021-2022 school year in this Annual Report.

The 2021-22 school year featured many outstanding accomplishments in academics, including National Merit Scholars, finalists and champions in math, computer science, business, personal finance, world language, creative writing and science competitions. Many also received recognition for service learning projects that benefited our community and the world. Both of our high schools continue to be ranked in the top 1,000 high schools in the nation by U.S. News & World Report.

The Fine Arts program was distinguished with Scholar Artist Award of Merit winners, as well as numerous awards in art, music and theatre throughout the year. Our student athletes won or placed at several team and individual League, County and State championships.

During the 2022-2023 school year, we look forward to continuing to develop our strong culture of equity and excellence, while providing all of our students with opportunities to excel in academics, athletics and the arts.

Dr. Patrick Harrigan
Superintendent of Schools

DISTRICT PROFILE

History

Originally called Half Way Hollow Hills, because it is found just about halfway between the Long Island Sound and the Atlantic Ocean, our school district merged with the Dix Hills School District in 1931, and then further enlarged by merging with the Upper Melville and Sweet Hollow School Districts in 1954.

Today we operate nine schools serving students from Dix Hills, Melville, Wheatley Heights, and parts of Deer Park, Huntington, East Farmingdale and East Northport.

FACULTY

Half Hollow Hills educators are dedicated, knowledgeable and highly skilled professionals who go beyond expectations to teach, inspire and nurture our students. We adhere to exceptionally high standards in selecting teachers and staff for our district. There are 745 teachers with an average of over 16 years of experience. Ninety-eight percent have earned Master's degrees or higher and 23 hold National Board Certification.

The staff regularly participates in professional development to strengthen their abilities and stay current with new and evolving strategies to better serve our student population. Nearly 35 of our teachers and administrators led over 100 professional development courses in 2021-2022.

Our teachers engage students in high-quality, meaningful and unique learning experiences which assist them in reaching their full potential. Teachers care about our students and exhibit this through all that they do in the classroom, during their non-teaching time and in extracurricular activities. The professional staff in our district provides an exceptional learning environment for students and makes Half Hollow Hills a great place to learn.

KEY PERSONNEL CHANGES

Half Hollow Hills welcomed Jeanne Zodda, our new Elementary Language Arts and Reading Coordinator. Mrs. Zodda joined the district after working as an AIS Reading Teacher in the Bayport-Blue Point UFSD.

Half Hollow Hills welcomed Lana Long Louis to her new role as Assistant Principal at Vanderbilt Elementary School beginning in 2022-23. Mrs. Louis was an elementary school teacher at Sunquam in 2021-2022.

Half Hollow Hills welcomed Steven Carmichael, our new Assistant Principal at Hills West. Mr. Carmichael joined the district from Smithtown High School West.

Half Hollow Hills welcomed Maria Belfiore to her new role as Assistant Principal at Hills East. Mrs. Belfiore was previously a special education teacher at Hills East.

ACADEMICS

The Half Hollow Hills K-12 program is designed to meet the individual needs of all students. Our diverse population includes many students at various levels of educational development.

Our high schools offer strong academic programs including 29 Advanced Placement courses and 26 Honors and/or college-level courses that are offered in collaboration with Stony Brook University (ACE Program), Long Island University (High School Scholars Program) and Farmingdale State College (High School Program). Additionally, students have an opportunity to earn the AP Capstone Diploma™ or the AP Seminar and Research Certificate™. Both schools offer "Project Lead the Way" Engineering courses affiliated with Rochester Institute of Technology and a "Senior Experience" program for a select group of senior-year students that combines Honors-level English 12 and Government/Economics into a Humanities-based curriculum. Incorporated into the "Senior Experience" is a required year-long professional internship.

Many students enroll in Independent Studies in World Languages, including Cantonese, Hebrew and Russian. A select group of students participates in our competitive Independent Science & Math Research Programs, culminating in various national events and competitions.

Several students participate in the BOCES Wilson Tech Program during their junior and/or senior years. Others audition to participate in the BOCES Long Island High School for the Arts, available to juniors and seniors. Both high schools offer extensive extra-curricular clubs and organizational activities as well as interscholastic athletic programs, intramural sports and community service opportunities.

Half Hollow Hills provides special education and related services to meet the needs of students who are identified as having a disability. Our programs and services are designed to ensure that children with disabilities receive appropriate and equal opportunities for their educational growth. We are proud to be able to offer a myriad of opportunities along the continuum of a student's development. This continuum includes related services, resource room, integrated co-teaching, special classes, as well as out-of-district options. Each of these opportunities is available to students in grades K-12. Our district prominently features programs for students with autism and other developmental disabilities within our in-district classes. These classes allow students to challenge the curriculum and grow according to their individual educational needs.

The Hills Academy

The Hills Academy is an in-district program for students grades 8-12. It is a program designed for students of average to above average intelligence who possess social/emotional issues which impact their ability to meet with success in high school. Students are in classes taught by dual-certified special education and content area teachers, follow the Half Hollow Hills academic curriculum, work towards a New York State Regents or Advanced Regents diploma and students have an opportunity to challenge the curriculum to earn honors status for their core academic classes. Within the program are two mental health professionals, a school psychologist and a social worker, who provide individual and group counseling, weekly communication with the families, home visits and are available at any time a student feels the need to speak with a mental health professional. The Hills Academy staff identify personal goals with each student that are worked on in conjunction with the tenets of the program to build the skills and strategies needed to return to the larger high school setting. The ultimate goal is to provide students with the tools, resources and skill-set to be successful; we want our students to attend school regularly and help to develop the skills/tools to transition successfully back to high school. In this safe, structured environment, students will gain academic and social skills as well as develop self-discipline to return to their respective high schools.

ENGLISH AS A NEW LANGUAGE

In Half Hollow Hills, approximately 40 home languages represent the diverse population in the ENL (English as a New Language) program. Our 17 ENL teachers service approximately 300 students in the district with varying proficiency levels in the English language. As a department, they work with students and their families, helping them adjust to our district and the community. Our ENL teachers work with students in their integrated classrooms and in a stand-alone setting to best meet their individual needs based on the Commissioner's Part 154 regulations. Professional development has been provided to general classroom teachers to educate them about the English Language Learners in the district and strategies to help them provide appropriate instruction during their transitional period of learning English. ENL teachers continually collaborate as a department and with classroom and special area teachers to ensure that their students are doing well academically, socially and emotionally.

INSTRUCTIONAL TECHNOLOGY

The Half Hollow Hills Central School District believes that information literacy, which is the ability to find, analyze, manage, present and share information, as well as the ability to adapt rapidly to the changes brought about by the availability of information, is a critical skill for 21st-century citizens.

Students need to become experienced in the use of technology resources they will encounter. These skills are developed through the full integration of technology into the curriculum.

- 1:1 Device Program (every student has their own mobile computing device)
- Comprehensive technology curriculum
- Rich digital resources to support classroom instruction
- Integrated digital whiteboards throughout learning spaces

The Half Hollow Hills Central School District maintained 15 buildings in 2021-2022 including one administration building, five elementary schools, two middle schools, two high schools, a transportation building, a natatorium and a maintenance building. These buildings encompass over 1.5 million square feet sitting on over 300 acres.

In 2021-2022 the district was also landlord to four tenants in two closed buildings, maximizing revenue from the unneeded space.

The Half Hollow Hills Transportation Department is committed to safely and efficiently transporting our approximately 7,500 students to and from school every day. The district has its own fleet of buses and contracts many other buses from a private bus company in the local area to transport students to and from school.

There are 359 bus routes in our district with approximately 8,200 bus stops each day, equaling 1,474,560 bus stops each year. Transportation was also provided for over 850 athletic events and field trips in 2021-2022. Our buses travel over 1,057,500 miles each year.

The Transportation Department's greatest strength is its dedicated staff who ensure the safe transportation of every student, every day.

The Half Hollow Hills Central School District recognizes that a nutritious, well-balanced and reasonably-portioned meal is essential for student wellness. We do not serve foods that contain tree nuts or peanuts. Meals are analyzed for nutritional content to ensure we are meeting Federal, State and local regulations.

In our third year impacted by the COVID-19 pandemic, Half Hollow Hills continued to take advantage of Federal and State funding and waivers to provide free meals for all students. We are proud to have served more than 1,000 free breakfasts and more than 3,000 free lunches each day throughout the 2021-2022 school year.
