

Greetings,

I am writing on behalf of Suffolk County Legislator Jason Richberg to extend an opportunity for your High School students to participate in a PSA video contest, "The Truth About Stimulant Drinks."

Participants will create a Public Service Announcement (PSA) with the title, "The Truth About Stimulant Drinks." The PSA should creatively incorporate his/her interpretation of the negative health effects associated with consuming energy drinks. Each entry must be limited to 30 seconds or less. The winning video will be used as part of a countywide message to be disseminated by the Suffolk County Department of Health Services.

Attached is a flyer with additional details. I invite you to share this information with your faculty and students. Entries may be dropped off at or mailed to Legislator Richberg's office, located at 44 Station Drive, Wyandanch, or submitted via email to InfoDO15@suffolkcountyny.gov. The submission deadline is Friday, May 7, 2021.

Please feel free to contact our office if further information is needed.

Thank you,
