

Adelphi University, The C.A.R.E. (CHILD and ADOLESCENT RESEARCH) Lab

We are conducting a study to understand children's close relationships and positive development, such as being thankful and forgiveness. We need help from families with children **9-14 years old or in 4th to 8th grade.**

We reimburse parent and child **\$40** for **one** 2-3 hour visit to Adelphi University, and they will be entered into a drawing to get a **\$100 Amazon gift card.**

Everyone's safety is our top priority and we take preventive measures regarding COVID-19.

Parent and child will complete questionnaires and be interviewed, and we will be observing conversations between parent and child.

Parents, please contact us **directly** at **516-877-4822** or **carelab@adelphi.edu** if you would like to participate.

MAR 19 2021
DR. PATRICK HARRIGAN
SUPERINTENDENT OF SCHOOLS

Due to the COVID-19 pandemic, we have implemented the following measures to enhance the safety of families and our lab members:

- 1) We disinfect all surfaces (i.e. computers, tables, chairs, pens, door handles, etc.) in the rooms we occupy before and after the visit.
- 2) Windows are to be left open before and after a space is occupied. If the weather permits, windows may be left open during the visit.
- 3) Everyone arriving at the lab, including lab members who will be working with you, will have their temperature taken and are required to complete a COVID-19 screener.
- 4) Lab members are required to wear face masks and face shields at all times during the visit.
- 5) Face masks will be required throughout the visit for family members, but we will provide an option for mask breaks when our lab members leave the room.
- 6) We also encourage families to bring disposable gloves but we can provide gloves to those who would like a pair.
- 7) We also will be social distancing when possible, as most of our tasks can be done 6 feet apart.

We have implemented these measures so everyone can feel as safe and comfortable they possibly can! Feel free to contact us at carelab@adelphi.edu or 516-877-4822 with any more questions regarding our COVID-19 safety protocol.
