- This 1/2 day program uses The Creative Curriculum framework that aligns with the NYS Pre-Kindergarten Foundation for the Common Core and includes differentiated instruction strategies to ensure all students meet with success and develop a love for learning.
- Comprehensive curriculum provides important foundational skills for our youngest learners, not only from an academic standpoint, but from a social/emotional lens as well.
- Students have opportunities to participate in school events and become part of the school community.
- Coming this spring – iPad Literacy Listening centers will be implemented into each classroom to encourage and support all learners, including English Language Learners.

To be eligible, children must be 4 years old on or before 12/31/19, not be eligible for Kindergarten, and reside within the boundaries of the district. Program is dependent on passage of the NYS budget.
