

Autism Awareness Coloring Fundraiser for SOAR!
Show support for individuals and families living with autism.
Color a picture for \$1 or any size donation to be displayed at school!

SOAR is a non-profit organization working to support students with autism in HHH. We run a social development program for children with autism and other disabilities in elementary through High School.
This program is paid for entirely through fundraising.

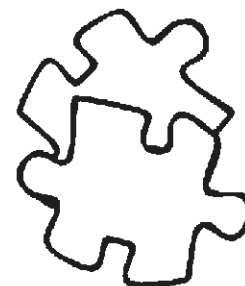

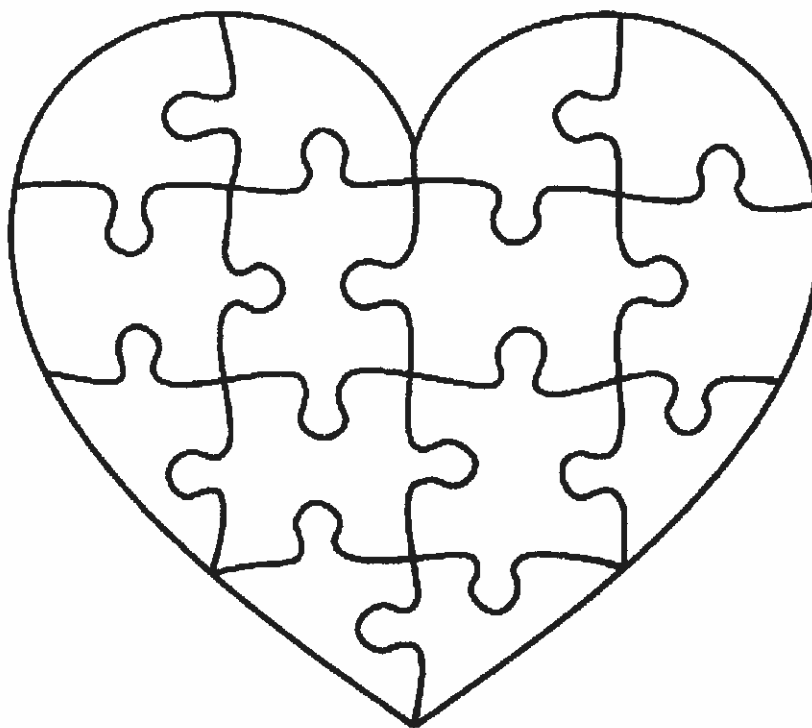

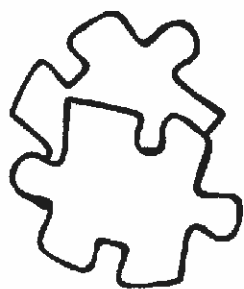

Please also talk to your child about autism and how to be a friend to children with disabilities. **Thank you!**

Please make checks payable to The SOAR Foundation. More information at www.4soar.org
