

Sustainability Speaker Series

APRIL 13 at 6 pm

Meet Climate Scientist, Dr. Rachel Strickman (she/her)

She will answer questions about ecology and climate change research and discuss how you can use political and social action to effect positive change for the future.

Register for program to receive zoom link: [Sustainability Speaker Series - Virtual Program - Zoom | Half Hollow Hills Community Library \(hhhlibrary.org\)](#)

Please email questions before the talk; childrens@hhhlibrary.org

Teens in grades 6-12, earn one hour of community service for each session you attend. Program registration required to receive the Zoom link.

April 20 at 6 pm

Meet students from the Stony Brook Environmental Club.

They aim to educate our fellow students about the environmental challenges facing the Earth today, as we believe that awareness leads to action. Our organization tries to share with students sustainable options for everyday activities to reduce the environmental impact of our actions by being mindful and using alternatives such as reusable materials.
