Good morning,

To mark Earth Day, the Town of Babylon Beautification's Program and Councilman Terence McSweeney are pleased to unveil the "Littering is Trashy" poster contest. The contest will be open to 6th, 7th and 8th grade students and artwork for it should show why it's important not to litter and to properly dispose of your trash. We ask that schools will submit selected posters from students to the Town no later than May 23rd. The town will then review all posters submitted to the Town and select a number of winning posters. Winning posters will be printed onto signs and installed at sites across the Town of Babylon where littering has been a common nuisance.

We ask that you please distribute the attached flyer to students and that your staff select the winning posters to submit from your school to us. We will announce the winning posters during the first week of June.

If you have any questions, please do not hesitate to reach out to me at 631-513-7148 or by email at dstein@townofbabylon.com.

Thank you for your time and we are excited to see the posters your students come up with!

Sincerely,

Derek Stein
