

The Art League offers two 3-week sessions for high school students to fully immerse themselves in the creative process and build their portfolios for college. Students will experience professional studio practices in observational and figure drawing, painting, mixed media projects, and more!

In addition to a comprehensive studio experience, the Pre-College Portfolio Development program features a schedule of special lectures, lessons, and demonstrations by visiting artists and professionals in the fields of art and design who will share studio techniques and strategies for success!
