Please join us at The Fran Greenspan Administration Center
located on 525 Half Hollow Road, Dix Hills, NY
in the conference room.

INTERGRATED MEDICINE AND INTERVENTIONS

Guest Speaker: Michael Elice, MD

Integrated medicine is a practice that concentrates on what is going on with a patient, no matter what the signs, symptoms and diagnoses focusing on the autoimmune system. Dr. Elice has spent more than 10 years concentrating his study to Autism Spectrum Disorders, PANDAS and mitochondrial and metabolic dysregulation. Come and learn more about this practice and its alternative approach to intervention. Join us for updates on exciting events and programs HHH SEPTA has lined up for the year. Everyone is welcome, bring a friend.
