

BABYLON COUNTS!

2020 CENSUS CHALK-WALK

United States[®]
**Census
2020**

August 10th

September 10th

The Town of Babylon is historically
under counted in the National Census

Only 60% of town residents get counted in the Census,
meaning that schools only get 60% of the budget they need

Our Mission

The Town of Babylon wants all children to
be counted in the 2020 Census and for all
schools to get the funding they deserve

What To Do

Have your child
fill up the
pavement with
drawings of
what school
means to them
and how the
Census will
benefit our
community
Get creative
and have fun!

Submissions

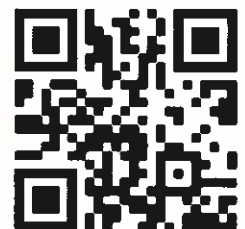

- All submissions must have "Babylon Counts" somewhere in the drawing
- Post your drawings to social media
- Submit all drawings to this link by Sept. 10th: "bit.ly/3i1cync"
