### Dix Hills Soccer Intramurals COED U4 & U5 (born in 2015, 2016 or 2017)

The Little Kickers program is for players aged 3 to 4 years old and is a program that uses stories and soccer to help foster the development of thinking and functional movement to prepare your child for what comes next. The program helps young children relate to sport and athletic movement in a fun and safe environment.

### Dix Hills Soccer Development U5 to U8 (born in 2012 thru 2014)

The Strikers program is for players aged 5 to 8 years old and is a development model using dynamic movement with technical ball skills in a decision-making environment. Your child will be taught to see the game, make decisions based on what they see, and then use skill techniques to solve the problem. This development model is set in a free-thinking environment where players will not be afraid to make mistakes and will grow to become problem solvers on the field.
