2018-2019 Online Applications for Free and Reduced Price Meals

The 2018-2019 school year application for free and reduced price meals is now available for completion online through the Half Hollow Hills/Infinite Campus Parent Portal.

The online application has the same requirements and will ask for the same information as the paper application. This option is user friendly and reduces processing time. After signing into the Parent Portal click on "Applications/Forms" and follow the step by step instructions to complete the online application.

If you prefer to not apply electronically, paper applications are available in your school's main office and nurse's office.

Contact the Office of Child Nutrition, 631-592-3021 or email bscally@hhh.k12.ny.us if you have any questions about the online application.
