## Blast Off the Scouting Year with a ROCKET ADVENTURE!

Join Pack 66 as we blast off into the new scouting year. Come learn about and play with rockets! We will learn about how they work. Each scout will build their own alka-seltzer rocket, play with water bottle rockets, and then we will launch several model rockets together as a pack. It should be a "rocketing" good time!

Join us Sunday, 9/19 at 4pm at the Oakwood Primary Field

for our first pack meeting of the year! Pack 66 is looking for boys and girls K-5, to be the next generation of leaders and role models of our community. Come check us out!
