

HALF HOLLOW HILLS CENTRAL SCHOOL DISTRICT

The Half Hollow Hills Central School District provides a robust 1:1 device initiative to enhance and support the elementary and secondary curriculum. Students are responsible for the general care of the device they have been issued by the District. Devices that are broken or malfunction must be taken to the technology department as soon as possible. They can be reached via email at hhtechhelp@hhh.k12.ny.us. Please do not use an outside computer vendor for the repair or maintenance of a District-owned device.

Please review the following guidelines with your child to ensure proper handling and care, as well as safe and appropriate use, of the device:

- Do not leave the device in an unsecured location.
- Keep food and liquids away from the device.
- The device must remain free of any writing, drawing, or stickers.
- Attach cords and cables carefully into device ports to prevent damage.
- The device should be fully charged at home each night to be ready to use in school the following day.
- GoGuardian, an Internet filtering program, is loaded on all Chromebooks. This will provide the same level of Internet filtering for home use that is provided in school.

Families have the option of purchasing device insurance through *Worth Ave. Group*. This insurance will cover repairs or replacement of devices as needed. The cost to insure a Chromebook is \$37.00 and the cost to insure a MacBook is \$53.00. See the flip side of this page for insurance details. If insurance is not purchased, expenses to repair or replace District issued devices due to damage will be incurred by the parent. In an effort to support our students and assist them with the successful travel of their device we recommend your child keep their charger in the side pocket of the case at all times. Here are the estimated repair costs:

Device	Replacement Cost	Screen	Keyboard	Touchpad	Battery	Charger and Cord
Acer Chromebook 713	\$600.00	\$415.52	\$44.26	\$11.97	\$51.98	\$24.31
