HBC Soccer offers developmental programs, coaching courses and local community camps designed to give players the opportunity to enjoy and deepen their understanding of the game.

- Developmental Programs follow a progressive curriculum that teaches fundamental skills at a rate appropriate to the player's age.
- Coaching Courses establish clear guidelines and expectations for today's youth coaches with detailed literature and instruction.

The HBC Soccer Club is committed to helping children accomplish their goals. We work directly with club coaches and parents to ensure that each child receives the best learning and playing experience.

This notice is distributed to students solely as a community service by the IJHS school district. This is not a School District sponsored or endorsed activity. HBC Soccer Club is 501 (c) (3) Not for Profit organization.
