Good Afternoon,

The Town of Babylon and the Lindenhurst and Copiague Community Cares Coalitions, are having the official kick-off ceremony for **National Red Ribbon Week** on **Thursday, October 28th** at Town Hall in Lindenhurst. National Red Ribbon Week, which lasts from October 23rd through the 31st, is part of a nationwide effort to take a stand against substance abuse and raise awareness about drug related violence and death. **The outdoor ceremony will begin at 5:00 PM** and feature guest speakers, in addition to refreshments. Those attending are encouraged to wear red attire as a sign of solidarity in our stand against drug abuse in our community.

The Town of Babylon values the health and safety of all of our residents. We choose to take part in this campaign to help us establish a community environment which promotes awareness and education about substance abuse, as well as to support initiatives to encourage drug free lifestyles. Substance abuse affects us all, and it is only through starting a dialogue that we can let our voices be heard and create a healthy and safe community for every resident.

I hope that you will join us on **Thursday, October 28th at 5:00 PM at the Town Hall front steps, 200 East Sunrise Highway in Lindenhurst**, as we show a unified front against the use of illegal drugs in our community.

For more information about National Red Ribbon Week, please visit www.redribbon.org

Please share this information and flyer with your students.

Thank you,

Debbie Fehn
