An eye-opening
must see for
kids!

When social media users chase "likes" or seek followers, they lose sight of the fact that their devices are now using them. In this special documentary screening **(not available in theaters or online!)**, you will get insight from kids, parents and experts on the real costs of social media.

Visit thelikemovie.com to watch the trailer!

Open to the community. Bring a photo ID to enter buildings. For more info email Adele Tongish at adelet@gmail.com
