

Together We Can

The Huntington Anti-Bias Task Force (HABTF) is a non-partisan group, under the auspices of the Town of Huntington in conjunction with the Suffolk County Anti-Bias Task Force. It is made up of concerned clergy, community representatives and lay persons who will work together to address the issue of intolerance, prejudice, discrimination and racism in any segment of our town. The Task Force will work to prevent and combat intolerance, prejudice and racism, and diffuse their destructive effects in several ways.

Intolerance, discrimination, and prejudice against persons because of their race, ethnicity, class, religion, age, disability, gender, or sexual orientation tear at the fabric of the Huntington Community.
