

# Teen Promise

Inspired by TEEN PROJECT of Garden City  
(2018 donations to Cohen Children's Medical Center)

## 3<sup>rd</sup> ANNUAL HOLIDAY GIFT CARD COLLECTION

Help spread holiday cheer to preteens and teens battling illness at Cohen Children's Medical Center. When people donate gifts and toys, they are typically geared towards little kids. People don't realize how many teens are spending their holiday season in the hospital fighting illness and how age appropriate gifts would cheer them up.

We are collecting gifts cards in varying amounts (\$10-\$25.) Suggested gift cards include iTunes, Amazon, Dunkin Donuts, Game Stop, Target, Starbucks, Best Buy, etc. If you'd like, attach a note for the teen to the gift card! Gift cards must be dropped off in your school's Main Office by Friday, December 14th.

**Thank you** for your generosity and holiday spirit!

Sincerely,

*Ashley Kalb, Morgan Mandel  
& Marissa Mandel*
