

# Linked By Love

30 links = 1 hour of  
community service!

1 million links of love & hope to unite the  
world and set a Guinness World Record

This is not a Half Hollow Hills sponsored or endorsed activity. Not-for-profit 501(c)3 organization.

Kids for Peace Global is inviting the world to come together and share positivity, especially during this pandemic! The goal is to make the longest paper chain ever (110 miles) filled with inspiring messages of hope and love for our world. Once the goal is obtained, sections will be distributed to hospitals, senior centers, libraries and more.

Our goal is to challenge the Half Hollow Hills community and their families from all over the world to contribute as many links as possible to this world record! We can pick them up locally or they can be mailed directly to us!

## How to Make a Love Link

1. **Gather Recycled/Reused Paper**—The weight of the paper should be thick enough to create a paper link but light enough to be mailed. The best materials to use are cereal boxes. OR we can happily mail you blank links to decorate! Email us with your address at [lovelinkgirls@gmail.com](mailto:lovelinkgirls@gmail.com).
2. **Measure & Cut Links**—Each strip must be 1.5" wide and between 11" - 18" long. Make as many as you can!!
