

# Sunquam's Drop-off and Pick-up Procedures 2022-2023

The start of the 2022-2023 school year will bring about some changes in how students are dropped off and picked up from school. **We are returning to pre-pandemic procedures.** The safety of our children is our top priority. It is important for all parents to thoroughly read through these instructions and refer to the maps that follow, in order to ensure a safe and efficient arrival and dismissal.

As our school campus has limited car capacity we **strongly recommend all families avail themselves of the HHH universal busing.**

## **Arrival:**

Please enter the large parking lot to the right of the main entrance and follow security's directions. Cars will loop through the lot, with the first car parking along the curb closest to the street. **Students will independently exit their vehicle** and enter the building through our back pick-up doors. Pick-up doors will open at 9:05 AM. Once your child has exited your vehicle, please exit the drop off lane.

**Dismissal:**

Dismissal for pick-ups will begin approximately at 3:05 PM. Parents are to enter the large parking lot to the right of the building and follow security's directions. Cars will loop through the parking lot with the first car parking along the curb, closest to the street. Parents are to exit their vehicle and enter the building through the back pick-up doors, where you will sign out your child. Once you have received your child we ask that you exit the campus to make room in the pick-up loop for additional parent pick-ups.
